

Student Use of Board Owned Vehicles/Motorized Equipment

Policy Code:

4313

Students are prohibited from driving board owned vehicles/motorized equipment unless the student's operation of the vehicle/motorized equipment is identified within a course curriculum approved by the State. A pre-requisite component of the curriculum prior to operation will consist of instruction in the safe operation of the vehicle/motorized equipment by the student. Board owned vehicles/motorized equipment that are not associated with a State approved curriculum are to be operated solely by Buncombe County School employees or system approved adult volunteers. Operation is contingent upon the employee or adult volunteer possessing the correct license per State law.
